

Golf Course Tee Block Assignments

- * SOF represents teeing off at start of the fairway on every hole, except par threes which would be from the forward position on the T3 tee deck
- * -10 represents moving forward 10 yards from a tee location, for example "Red -10" means to tee off up to 10 yards less than reds but remain on same deck
- * +10 represents moving back 10 yards from a tee location, for example "Blue +10" means to tee off up to 10 yards back than blues but remain on same deck
- * White/red is an example of a hybrid block where you start with the first colour on the first hole then alternate for remaining holes
- * Where T1 markers don't apply, the golfer must tee off at the 200 yard marker on par fives, 150 yard marker on par fours and the T2 location on par threes
